body Huge

tasting notes

This Wine is made from one clone of Cabernet Sauvignon planted on Edgebaston. The wine displays Cabernet Sauvignon cassis and blackcurrent fruit on the nose as well as having a fresh minty, herbaceousness backed by mocca vanilla. A broad midpalate and long lasting flavours of Boysenberry and hints of sweet Mulberry follow through to join with the fresh Vanilla and Nutmeg spice on the finish.

ageing potential

Firm structured tannins and a long finish on the palate show great ageing potential.

blend information

100% Cabernet Sauvignon

in the vineyard

Our range of wines is made to reflect the personality and wine making philosophy of the Stellenbosch region and of the Finlayson family
David Finlayson
Malmesbury Shale on deep red clay.
