type Red	producer	Edgebaston Vineyard I David Finlayson Wines
style Dry	winemaker	David Finlayson
taste Fragrant	wine of	Stellenbosch
body Full		

tasting notes

Depth, structure, bold fruit and suave, juicy tannins – all bolstered with classy wood regimen – make for unmistakable quality.

Bottled with minimal filtration and no fining to maintain the wine's fine structure. This is as non-interventionist as he could manage. The fruit is pure and very expressive, and challenges the notion that this grape should be used for blending.

ageing potential

A wine for maturation and enjoyment when the time is truly ripe for the reward.

blend information 100% Cabernet Franc

in the vineyard

With all the hype for resurrected old vine projects and natural wines, David's "Camino Africana" project seeks to kill 2 birds with one stone. This is the oldest Cab Franc vineyard in Stellenbosch – planted in 1985. The vineyard is in fairly poor condition and its upkeep and rejuvenation is constant and ongoing.

in the cellar

The 5 tons Cab Franc grapes were carefully sorted and crushed whole berry into a 5 ton fermenter. After 3 days cold soak and allowing spontaneous fermentation to take place, pumpovers occurred 3 times per day for 14 days. 10 days post ferment maceration was followed by a soft press and further 24 months maturation in 30% New and 70% Second Fill 300 litre Allier Hogshead barrels. Bottled with minimal filtration and no fining to maintain the wines fine structure.
