taste Mineral

wine of Stellenbosch

body Medium

tasting notes

The wine was made with the absolute minimum intervention and to allow the old vines to express the true flavours of the site and variety with as gentle a human touch as possible. The wine has an unmistakable minerality and the salty, Umami flavour on the palate that can only be found when vines have struggled for decades to make their mark in the soil.

blend information

100% Chenin Blanc

in the vineyard

Soil types: Sandy, loam topsoil to granitic gravel subsoils, decomposed granite shale

Appellation: W.O. Stellenbosch - Bottelary Hills

Vines per hectare: 3000

Trellis system: bushvine, single wire cordon

about the harvest

All grapes were hand picked from two vineyards of bushvines planted between the 1960's and 1980's

Harvest dates: February-March 2023

Average Production: 3-5t/ha

in the cellar

Bunches are whole pressed and then 90% fermented with natural yeast in older French oak barrels and 10% in concrete eggs. Sulphured after primary fermentation to prevent MLF, followed by 12 months maturation on the lees.
